Information sheet for Horticulture, Flowers & Plants

The Market Management Committee needs to know what each stallholder is currently producing and it needs to approve any new products in advance of their being offered for sale. This sheet identifies the basic information required to be provided by a stallholder to verify authenticity.

Category: **Horticulture** (Plants, trees, flowers, herbs for planting, etc)

Name of Stallholder _____

Stall no. _____

Address _____

Contact phone number: _____

Products offered at the Market

What land area do you have? _____ Ha

Address (if different from above) _____

Local Government area _____

Attach a plan showing the layout of your property and growing areas with different crops or varieties identified.

Products you are currently growing for the Market

Variety	Area/number	When planted

The Market Management may require verification through inspection and or production of receipts.

If not enough space, add an extra sheet or ask for another form.
